

Sanghi Enterprises, a sole proprietary entity started in the year 1996 with a vision of setting a new benchmark for customer (Dealers) service in automobile industry by offering OE products to the retail market by trading in auto electrical and other spare parts.

In the year 2013 as a result of continuous growth and increase in business activity year on year for better administration and management of our business we formed a Pvt. Ltd. Company i.e., **Sanghi Automotive Private Limited** and started all business activities under this brand name.

We are authorized sales & service - dealers & distributors for the following companies:

Lucas-TVS – Auto Electrical Spares

TVS Grilling – Braking Systems

MONROE - Suspensions, Struts and Shocks.

Rane (Madras) Ltd – Steering and Suspension Parts

Golden Cruiser - Coolant & Brake fluids

NGK – Spark Plugs and Heater Plugs

Idemitsu – Engine Oils and Lubricants

Bando – Belts and Pulley

Elofic – Ail, Oil, Fuel and AC Filters

Banco – Radiators and Condensers

Banco – Gaskets and Packings

We are one of the registered sales and service suppliers for auto electrical and other parts to various Government departments such as **MIDHANI** (Mishra Dhatu Nigam Limited) a Govt. of India Enterprise, **Greater Hyderabad Municipal Corporation**, **TSRTC** and **Police Transport Organization**. We are associated with all **MAS** (Maruti Authorized Service Dealers), **TAS** (TATA Authorized service Dealers), and **Automotive M&M and Ashok Leyland**, **AMW Motors**, **Force Motors**, **MGB Motors** and local chain of associated dealers in automobile spare parts. We have our own Authorized workshop with highly qualified, trained and fully experienced technical team with latest & advanced testing equipments namely Test bench of 200 Amps and other testing equipments. **Mr. Naveen Sanghi – Managing Director** of M/s Sanghi Automotive Pvt Ltd and Proprietor of M/s Sanghi Transport Co. is a Graduate from Osmania University having an experience of more than 25 years in Automobile Industry. In the year 1996 he started Sanghi Enterprises a proprietary concern. He then started a logistic business in the year 2003 which presently have more than 50 heavy commercial vehicles handling logistic business of Shree Cements, Orient Cements, BMM Ispat Ltd, Deccan cements. It was because of his vision, aim and hard work over the years that both the business flourished to a level where we are able to provide our service to 99% of the market of Telangana and most parts of India.
